Our Fruit Juice

From sun drenched citrus groves, we have picked the ripest, juiciest fruit at the peak of perfection to produce the highest quality concentrated fruit juices, fruit juice drinks and nectars, specially prepared for the catering market.

Packed in 1 litre cartons or 10 litre bag in box, our range of products which includes a concentrated Fairtrade offering, comes in a variety of delicious flavours such as:

- Orange
- Apple
- Tropical
- Pink Grapefruit
- Cranberry

All our products are designed to ensure minimal storage, minimal handling and minimal distribution, but maximum enjoyment.

C.S.S. are the reliable solution that takes the hard work out of sourcing your beverages as we source our products personally to guarantee quality that your customers will appreciate and enjoy.

Practical but Stylish Dispensing Systems.

Paying particular attention to reliability, C.S.S. are proud to combine their premium quality juices with stylish dispensing systems. Get aesthetic appeal, functionality, good hygiene and ease of use all in one simple system with C.S.S.. It's the perfect beverage solution for any requirement!

Our Bag in Box dispenser is without doubt the most convenient and labour saving system available, offering a choice of 3 product selections, plus chilled water, and the ability to produce up to 190 litres of ready-to-drink Fruit Juice without needing to be refilled. Ideal if you require a high output with rapid service for your business.

Our comprehensive range of stylish Breakfast Buffet Dispensers and Jugs are designed to enhance the aesthetics of any buffet, mixing elegance and style with practicality and simplicity. The dispensers provide 2 litres to 8 litres in capacity – the ideal front of house solution adding a touch of class to your presentation.

Our Coffee

Using a subtly balanced mix of Arabica and Robusta beans carefully selected from around the world and expertly roasted to perfection, we offer a wide range of Coffee Beans, Filter Coffee and Instant, including Fairtrade, Rainforest Alliance and Organic options, matching fulsome body with a mild and pure aroma.

All the blends available are of the highest quality but with our assistance you can be certain to find a blend that is perfect in taste profile and best value for you and your customers.

Finding the ideal coffee machine can be a daunting task, with so many to choose from. Traditional? Bean to Cup, Bulk Brew or Instant?

We understand how important it is to make the right choice and our highly experienced team will ensure that we provide a practical and professional dispensing solution that is functional, modern – and above all else – reliable.

Cool Crush Slush 100% Natural

A favourite with the kids, the newest product line in our portfolio is Cool Crush Slush – the perfect fun-filled refreshment.

Our 100% Natural Slush is available in two fabulously healthy flavours, Orange & Mango and Apple & Raspberry.

Made with the concentrated juice from Real Fruit and all natural ingredients Cool Crush Slush contains;

- No Artificial flavouring
- No Artificial Colours
- No Added Sugar

A 6oz serving qualifies for 1 of your 5 a day!

Not only is it good for you, it looks good too, dispensed through the eye catching black and stainless steel panelled Spin machine which has been tried and tested to ensure continuous trouble free usage.

The sight of the bright and colourful slush churning in a machine is more than enough to catch a child's interest. In fact with no added artificial ingredients or E – numbers, It's so healthy that Parents want their children to drink it!

Slush

green Credentials

C.S.S. are constantly reviewing ways in which we can adapt our packaging in line with technological developments and the implementation of such technologies in the waste disposal facilities and policies employed by local councils in the U.K.

Less Carbon Emissions

All our products can be stored at room temperature, reducing the impact on our Environment caused by unnecessary greenhouse gas emissions during frozen transportation and storage.

Our high case yields, where 1 case of our product is equivalent to between 6 and 10 cases of Ready to Drink, minimise our carbon footprint due to significantly reduced numbers of deliveries.

Less Packaging Waste

The outer carton of our products is made from recyclable cardboard.

The use of concentrated drinks means C.S.S. create less packaging waste as 1 case of our Fruit Juice/Slush is equivalent to between 72 and 140 cartons of Ready to Drink.

Careful Sourcing and Social Responsibility

C.S.S. have been established for more than 30 years in this industry and as a respected supplier we feel it is our responsibility to source our products ethically and to ensure that the resources and labour we use are taken in an ethical and sustainable manner.

Our range of Fairtrade Fruit Juice and Coffee, in addition to Rainforest Alliance and Organic Coffees have been blended with a particular focus on high quality. You can be confident that with C.S.S. you are using Premium Quality products that are fairly and ethically traded.

Our range consists of:

- Fairtrade Fruit Juices
- Fairtrade Coffee
- Rainforest Alliance Coffee
- Organic Coffee

Natural and Nutritious Ingredients

C.S.S. use only natural ingredients in our products wherever possible – so much so, that just a 5ml serving of our Cool Crush Slush and 100% pure Fruit Juices qualify as 1 of your recommended daily portions of 5 Fruit and Vegetables per day.

“Your Health is your Wealth”

“It’s Official” Our 100% Natural Slush and All our Pure Fruit Juice products have been certified by the Department of Health as qualifying for 1 of your 5 a day. Yes, not only are our products full of flavour but they are good for you as well.
